Sandra,

Thank you for the introduction.

We are looking for ways to measure results of economic activity in our business improvement district. I wanted to discuss with you what methods you may have or have access to that would assist us.

I look forward to speaking with you.

Best regards,

Hi Adrian
Hope all is well!
I have Lorraina with PBID cc'd here who is requesting information regarding businesses that have opened in the District.
She will be able to give you a better description of what she is looking for.
Just wanted to introduce you both to each other.

Best
